IN THIS ISSUE:

- OPEN HOUSE
- FAMACHA
- AMERICAN QUARTER HORSE CONGRESS JUDGING TEAM
- NEW ADDITIONS
- STOCKMAN CONTEST
- UPCOMING EVENTS & PUBLICATIONS
Here's a look at the Sales Prep and Marketing class discussing the game plan for the day. Two year olds are coming along nicely. Many have dragged logs, walked over a bridge and jogged over poles. Don't forget, you can view them in action at our Open House on November 18th!

Congratulations to our very own Alex Blackburn and Mary Claire Cornett on their performance at the American Quarter Horse Congress in the judging contest! Alex placed 12th overall and Mary Claire was 10th individually in the halter, 8th individually in the reasons, 2nd in the performance, and third overall! Great job ladies!
Our New Edition

We would like to give a big bulldog welcome to Dr. Henry Paz, he will be joining the Animal & Dairy Sciences family in March 2018 as our newest dairy scientist. Dr. Paz has a background in dairy nutrition, microbial genomics, and bioinformatics. He is currently employed as a Post-Doctoral Research Associate at the University of Nebraska-Lincoln, USA. His research is focused in understanding the relationships between microbial structure and methanogenesis, feed efficiency, and metabolic disorders in ruminants.
It was a successful trip to the “Stockman” contest in Indiana this past weekend! There is no team component to the college division of that particular contest, but individual awards are given, and the MSU group received recognition for those achievements.

Kirsten Midkiff- 6th in hogs, 9th high individual overall
Alex Pittman- 14th in cattle
Emily Vowell- 13th in sheep
